NATIONAL SCIENCE WEEK

All the classes have been taking part in fantastic Science lessons this week to support National Science Week. A huge thank you to our Science Leader, Mrs Monaghan for all the help and organisation that she has done to make this week a huge success. Dr Jenny Jones, who is a soil scientist and a Governor of our school too, spoke with the children in Years 2 and 3 about soil and the children were amazed at what they had learned.

FORENSIC SCIENCE WORKSHOP

There will be a Forensic Science Workshop in school for Years 2-6 on the 23rd March. Pupils will have the opportunity to examine fingerprints, hair and DNA in order to solve the mystery of who stole the money. For this unique experience the cost is £2 per child. A separate letter has been sent out.

FREE SCIENCE FESTIVAL

Edge Hill University have kindly invited the pupils and families from our school to attend their annual Primary Science festival on Friday 24th March from 4-7pm at Edge Hill University. They will be offering interactive stalls, activities and lectures all focused on helping children to understand our planet. If you can attend please make your own way there on the day. More information is available from Miss Monaghan.

STATIONS OF THE CROSS

Just a reminder that we are inviting children and parents/family to come along for a short 10 minute reflection on the Stations of the Cross in the hall every Thursday morning at 8:35am throughout the period of Lent. We are encouraging the children and parents of Yr4 who are preparing for the Sacraments to come along especially. Thank you to those people who came along this week. Thank you!

ST PATRICK'S DAY - 17th MARCH 2017

Many thanks to everyone for your support in celebrating St Patrick's Day today. The children and staff had a wonderful assembly to celebrate this week's certificate winners. The effort to 'dress in green' was amazing. Alongside the assembly, we had a fabulous 'end of the show, show' as the choir performed an Irish melody and a two of our Yr 6 girls alongside Mrs McParlin entertained us all with some Irish dancing. Have a look at our website and Twitter for more photos.

SLOW DOWN FOR BOBBY CAMPAIGN

Children's author, Jude Lennon, came into school this week to speak to all the children about the importance of Road Safety and she also promoted the 'Slow down for Bobby appeal.' You may have noticed that we have a 'Bobby Zone' outside our school gates and this is a reminder that all drivers must remember that school children are nearby and they must drive slowly, park sensibly and take great care on the roads. Jude read the children a story from her latest book and made them aware of the importance of the role that everyone must play with regards to road safety.
