Holy Family Catholic Primary School

Sports Premium Policy

Development of PE at Holy Family Catholic Primary School

What is the Sports Premium?

The Government is providing additional funding of £150 million per annum for PE and School Sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8000 plus an extra £5 per pupil each year for the next six years. The sport funding can only be spent on sport and PE provision in schools.

Purpose of the funding

All schools will have to spend the sport funding on improving their provision of PE and sport, but there is freedom to choose how they do this.

Possible uses for the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- Providing new or additional Change4Life sport clubs
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Attending sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing places for pupils on after school sport clubs

With Christ at the centre, we live, love and learn together, reaching out to all.

Together, with Jesus, we can do it!

How will Holy Family use their Sports Premium Allocation?

We aim to:

- Raise the profile of PE and sport, ensuring more children want to participate in PE lessons, attend after school clubs and represent Holy Family in competitions
- Ensure that teaching and learning opportunities meet the needs of all pupils within our school
- Ensure that appropriate provisions are made for pupils to access a wide variety of after school clubs
- Ensure that staff receive professional development in a range of areas to help enhance sport within the curriculum

We have targeted the funding in the following ways:

- Buying into Knowsley School Sports Partnership who provide an increasingly varied and comprehensive calendar of competitions and CPD
- Employment of specialist PE teachers and sports providers
- CPD for Staff in raising confidence in teaching
- Purchasing new equipment for PE (updating of resources)
- Purchasing and implementing Schemes of Work
- Purchasing new play leader equipment
- Refresher training for Lunch time supervisors to provide games at lunchtime
- Training of play leaders
- Swimming lessons for children in Years 3, 4 and 5
- Providing coaches to run after school clubs

P. E. Curriculum

Our PE curriculum is widely based to encompass the varied skills which need to be learned at the primary level. We encourage the social, moral, emotional and intellectual skills through a balanced and carefully structured programme of activities. We aim to give all our children a sense of enjoyment, achievement and an understanding of healthy living.

We ensure that every child receives 2 hours of high quality physical education each week. During the year, each class is allocated time for physical activity both in the hall and on the playground and/or field and participate in Dance, Gymnastics, Games and Athletics. Swimming lessons are also incorporated into the curriculum. Year 6 take part in outdoor and adventurous activities at PGL.
