

Characteristics of Effective Learning

The Characteristics of Effective Learning are divided into three sections. They are all interconnected and overlap with one another. All children demonstrate each of them at some time.

The ways in which your child engages with other people and the environment— playing and exploring, active learning, and creating and thinking critically— underpin learning and development across all our areas and support your child to remain an effective and motivated learner.

Characteristics of Effective Learning

Playing and Exploring engagement

Finding out and exploring

- Showing curiosity about objects, events and people
- Using senses to explore the world around them
- Engaging in open-ended activity
- Showing particular interests

Playing with what they know

- Pretending objects are things from their experience
- Representing their experiences in play
- Taking on a role in their play
- Acting out experiences with other people

Being willing to 'have a go'

- Initiating activities
- Seeking challenge
- Showing a 'can do' attitude
- Taking a risk, engaging in new experiences, and learning by trial and error

Active Learning motivation

Being involved and concentrating

- Maintaining focus on their activity for a period of time
- Showing high levels of energy, fascination
- Not easily distracted
- Paying attention to details

Keeping on trying

- Persisting with activity when challenges occur
- Showing a belief that more effort or a different approach will pay off
- Bouncing back after difficulties

Enjoying achieving what they set out to do

- Showing satisfaction in meeting their own goals
- Being proud of how they accomplished something – not just the end result
- Enjoying meeting challenges for their own sake rather than external rewards or praise

Creating and Thinking Critically thinking

Having their own ideas

- Thinking of ideas
- Finding ways to solve problems
- Finding new ways to do things

Making links

- Making links and noticing patterns in their experience
- Making predictions
- Testing their ideas
- Developing ideas of grouping, sequences, cause and effect

Choosing ways to do things

- Planning, making decisions about how to approach a task, solve a problem and reach a goal
- Checking how well their activities are going
- Changing strategy as needed
- Reviewing how well the approach worked

A Unique Child:
Observing how a child is learning
