English - KS1 – Sidney, Stella and the Moon Overview

Text: Sidney, Stella and the Moon
by Emma Yarlett

Outcomes: 'Lost' poster, labels, glossaries
Main Outcome: Fact file about the moon

Overview and Outcomes: This is a sequence using Sidney, Stella and the Moon by Emma Yarlett. Children are given non-fiction books to collect information about the moon to create Moon fact files. This will be in response to a letter received from the two characters, Sidney and Stella, who have replaced the moon with cheese and need our help! Further sessions may be needed for writing up more sections of the book and creating illustrations for the book if desired. It would work well if children were then presented or sent to Stella and Sidney with a covering letter that would be part of a piece of shared writing done by the class. The fact files could then be returned with another letter thanking them for their expertise.
