

Holy Family Halewood

Year 5/6 Spanish

Revisiting Me and Daily Life of a Superhero

In this sequence of lessons, we will use our language skills to:

- Recall and re-use familiar core language knowledge in new contexts.
- Revisit and build confidence in spoken language through simple conversations.
- Listen for information, speak in sentences and speak in sequences of sentences.
- Presenting information about ourselves.
- Write familiar vocabulary in sentences and sequences of sentences and using our memory skills to do so.

Learning Objectives

To speak in sentences, using familiar vocabulary, phrases and basic language structure by recalling language to introduce myself in full sentences.

To express and explain my simple opinions about school subjects.

To read carefully and show understanding of words and phrases by saying a time using the "o'clock" phrase.

To listen attentively to spoken language and show understanding of some simple sentences that describe daily routine.

To develop accurate pronunciation and intonation by saying a simple sentence that describes daily routine and add a simple time phrase.

To describe things and actions in writing by writing simple sentences about daily routine with simple time phrases.
