Parents:

At Holy Family, we see our parents as their child's first educators. Therefore in order for your child to progress and develop independence, it is vital that we have a shared working partnership that buys into the vision of our school.

Home School agreement:

A partnership with our school, parents and pupils working together. (See pack)

GOOD TIME KEEPING MEANS...

Making sure your child is at school and ready to learn, before the school bell rings. Being 15 minutes late each day is the same as missing two weeks of school over an academic year?

LOST MINUTES = LOST LEARNING	
5 minutes late	3 days lost
10 minutes late	6.5 days lost
15 minutes late	10 days lost
20 minutes late	13 days lost
30 minutes late	19 days lost

EVERY SCHOOL DAY COUNTS BUT EVERY MINUTE IS EQUALLY IMPORTANT.

If attendance becomes an issue, the Attendance Officer from Local Authority will become involved. School opens at 8.45 a.m. Any child arriving after 8:55am will have their name noted in the 'Late Book'.

Curriculum Intent

- At Holy Family Catholic Primary School, we want to give children a curriculum that promotes a passion and curiosity for learning where ‘Only the Best is Good Enough’. It is our vision that each child fulfils their potential, regardless of their background or circumstances, in a safe, stimulating and caring environment. We aim to develop a love of learning inspired by quality teaching, foster high aspirations and encourage positive self esteem.
- Our Curriculum is built around the National Curriculum, however this is enhanced and enriched to reflect the children and community we teach in.
- Holy Family’s ‘**ONLY THE BEST Curriculum**’ aims to provide:

**With Christ at the centre,
We live, love and learn together, reaching out to all.
Together, with Jesus, we can do it!**

Homework

Your child will receive a reading record alongside a homework book. Reading records need to be in daily and children are expected to read every night. This can be a Reading Plus lesson or a book of their choice (a couple of pages). If children do not hand in their reading record (signed by a parent), then they will read for five minutes at the beginning of their lunch break.

As part of the nightly reading, at least two lessons of Reading Plus must be completed at home so that children can achieve the target of 5 lessons per week. Opportunities are given to children to catch up through the week however any outstanding lessons will be completed at Friday lunchtime.

Each week, your child will be given spellings in their homework books and a task to complete. Tests will be carried out on Mondays. Books should only be returned on a Monday so that the homework can be marked and children have as much time as possible to practice for their weekly tests.

- **Times Table Test (Year 4 Children)**

- The Year 4 Times Tables Test, known by the government and schools as the Year 4 [Multiplication Tables Check](#), is an annual test to check that Year 4s in England and Wales have a good level of times tables knowledge.

- **Who will take the Multiplication Tables Check?**

The Multiplication Tables Check (MTC) is a times tables test to be taken online by children at the end of year 4. There will be a three-week window in June for pupils to complete an online form, which will take about 5 minutes per child.

- **What will be tested in the Multiplication Tables Check?**

The check will only assess multiplication facts and not the corresponding division facts. It will test up to 12×12 . The 1 times table is not included (apart from in practice questions). There will be a particular focus on the 6, 7, 8, 9 and 12 times tables.

With Christ at the centre,
We live, love and learn together, reaching out to all.
Together, with Jesus, we can do it!

- **How many questions are included in the Multiplication Tables Check?**

The Multiplication Tables Check has 25 questions and 3 practice questions.

- **How long is the Multiplication Tables Check?**

Children will have 6 seconds to answer a question with a 3 second gap between questions. The whole test will take less than 5 minutes.

- **Will there be a pass mark?**

There is to be no threshold or pass mark and individual school results will not be published in performance tables!

Children in Year 2 focus on 2, 5 and 10 times tables.

Children in Year 3 focus on 3, 4 and 8 times tables.

Children by the end of Year 4 must know all their times tables upto and including 12 x 12.
