

Holy Family Halewood

Year 6 RSHE Journey in Love
Theme: Relationships

Topic: The Wonder of God's love in creating New Life

Aim

To develop a secure understanding of what stable, caring relationships are and the different kinds there may be.

Focusing on Catholic teaching, children will also know and understand about the conception of a child within marriage.

Learning Intentions

Social and Emotional

To develop a secure understanding that stable and caring relationships, which may be of different types, are at the heart of happy families.

- To understand how St Paul's teaching on love is experienced in your family, extended family, school or community.
- To understand that marriage is a union between two people that is a formal, legally-recognised commitment intended to be lifelong.

Physical

Explain how human life is conceived

- To know how a baby is conceived in the womb
- To understand how a child grows within the mother's womb

Spiritual

Show an understanding of how being made in the image and likeness of God informs decisions and actions when building relationships with others, including life-long relationships.

- To recognise the boundaries that should exist within all relationships including in a digital context
- To know how, when and where to seek help if a relationship of any sort is making us feel uncomfortable
- To discover the presence of God in our family and friends.

Pope Francis

"It is God who gives life. Let us respect and love human life, especially vulnerable life in a mother's womb."
