

Holy Family Halewood

Year 5/6 Spanish

Tour de France and Class Performance

In this sequence of lessons we will use our language skills to:

- Gather key information about the Tour de France in an English facts video clip.
- Create imaginary dialogues based on a listening source between a French and a Spanish cyclist.
- Create Tour de France posters with simple and extended written sentences in the Spanish
- Practise reading for meaning.
- Practise simple spoken Spanish to focus on pronunciation and memory skills.
- Create written Spanish play-scripts with English stage directions.
- Perform oral Spanish through class or school performances

Learning Objectives

To know some interesting facts about the Tour de France.

To explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words by recalling and using some familiar words and phrases to use in language memory games.

To broaden their vocabulary including through using a dictionary to recall and use some familiar words and phrases to use in language memory games.

To listen attentively to spoken language and show understanding of written language by reading and understanding a script about a magician and take part in a spoken performance.

To present ideas and information orally by reading and understanding a script using familiar personal information phrases and attempt to perform from memory
