

How the Five British Values are explored in EYFS.

In the curriculum topics, the values are taught as a whole or theme, or alternatively, through specific objectives of the topic.

EYFS				
Democracy	Rule of Law	Individual Liberty	Mutual Respect	Tolerance
There are opportunities built into our EYFs Curriculum for topics to be child-led, according to what their interests are.	Children are introduced to class rules and routines straight away so that they understand what is expected from them in class.	Independence is encouraged throughout the Foundation Stage and children are supported when making their own choices. They are supported to become independent learners by using their own initiative to choose what to play.	Through our strong PSED focus, children are encouraged and taught to build relationships with others Music Topic: National Anthems Music Topic: The World Around Us	RE Topic: study of Judaism RE Topic: study of another faith on rolling programme – Islam, Hinduism, Sikhism History Topic: Chinese New Year
