# Holy Family Catholic Primary School <br> Year 1/2 Maths Long Term Plan and Spring Term Overview 

## Year 1 - Spring Term

## Number: Place Value

 (within 20)
## Number: Addition and <br> Subtraction (within 20)

## Number: Place Value (within 50)

Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs

Add and subtract 1-digit and 2-digit numbers to 20 , including zero

Represent and use number bonds and related subtraction facts within 20

Solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7=$ ?-9

Given a number, identify 1 more and 1 less

Count to and across 100, forwards and backwards, beginning with zero or 1, or from any given number

Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least

Count, read and write numbers to 100 in numerals; count in multiples of $2 \mathrm{~s}, 5 \mathrm{~s}$ and 10s

Given a number, identify 1 more and 1 less

## Measurement: Length and height

Measurement: Mass and volume

## Compare, describe and

 solve practical problems for: lengths and height; mass/weight; capacity and volume; timeMeasure and begin to record the following: lengths and heights; mass/weight; capacity and volume; time

```
Compare, describe and solve practical problems for: lengths and heights; mass/weight; capacity and volume; time
Measure and begin to record the following: lengths and heights; mass/weights; capacity and volume; time
```

# Holy Family Catholic Primary School <br> Year 1/2 Maths Long Term Plan and Spring Term Overview 

Year 2 - Spring Term

Measurement: Money

Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value

Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change

## Number: Multiplication and division

Measurement: Length and height
Measurement: Mass, capacity and temperature

Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication ( $x$ ), division ( $\div$ ) and equals (=) signs

Show that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot

Recall and use multiplication and division facts for the 2,5 and 10 multiplication tables, including recognising odd and even numbers

Choose and use appropriate standard units to estimate and measure length/height in any direction ( $\mathrm{m} / \mathrm{cm}$ ); mass ( $\mathrm{kg} / \mathrm{g}$ ); temperature ( ${ }^{\circ} \mathrm{C}$ ); capacity (litres $/ \mathrm{ml}$ ) to the nearest appropriate unit using rulers, scales, thermometers and measuring vessels

Compare and order lengths, mass, volume/capacity and record the results using >, < and =

Solve problems with addition and subtraction using concrete objects and pictorial representations, including those involving numbers, quantities and measures

Solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in contexts

Choose and use appropriate standard units to estimate and measure length/height in any direction ( $\mathrm{m} / \mathrm{cm}$ ); mass ( $\mathrm{kg} / \mathrm{g}$ ); temperature ( ${ }^{\circ} \mathrm{C}$ ); capacity (litres $/ \mathrm{ml}$ ) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels

Compare and order lengths, mass, volume/capacity and record the results using >, < and =
