

Holy Family Catholic Primary School English - LKS2 – Cinderella of the Nile Overview

Text: Cinderella of the Nile by Beverley Naidoo and illustrated by Marjan Vafaeian

Outcomes: Short news report, diary entry, character

description, advert

Main Outcome: Own version traditional tale

Overview and Outcomes: This three-week planning sequence begins with the discovery of a bottle that contains a map and a message. After interrogating the scenario presented and writing a short news report using the present perfect tense, the children then share the first part of Cinderella of the Nile. They develop skills of inference before exploring the author's use of literary language and the effect that this has on the reader. Suffix fixers are used to investigate abstract nouns which are then used to create an emotions graph before being woven in to a diary entry in role that also draws upon literary language from a previous session. Once the story has been read, the children sort statements about traditional Cinderella tales and statements about this version onto a Venn diagram and then go on to devise their own version of a Cinderella story complete with fable!
