Theme: Relationships  
Topic: We Meet God's Love in our Family

## **Aim:**

To focus on families and specially growing up in a loving, secure and stable home.

## **Learning Intentions**

### **Social and Emotional**

#### **To recognise signs that I am loved by my family**

- that families are important for children growing up because they can give love, security and stability and characteristics of a healthy and secure family
- that others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences
- To know that all babies are different and how they change as they grow.

### **Physical**

#### **To recognise how I am cared for and kept safe in my family**

- about the importance of telling someone — and how to tell them — if they are worried about something in their family
- the role families play in children's lives and how they care for them
- how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed.

### **Spiritual**

#### **To celebrate ways that God loves and cares for us.**

- God loves and cares for us in a number of ways giving us our families and a beautiful world.
