

Holy Family Halewood

Year 3 and 4 – Personal Development
Theme: Living in the Wider World
Topic: Money and Work

Learning Objectives

- about jobs that people may have from different sectors such as teachers, business people, charity work
- that people can have more than one job at once or over their lifetime
- about common myths and gender stereotypes related to work
- to challenge stereotypes through examples of role models in different fields of work including women in STEM
- about some of the skills needed to do a job, such as teamwork and decision-making
- to recognise their interests, skills and achievements and how these might link to future jobs
- how to set goals that they would like to achieve such as learning a new hobby

Key Words

STEM – An acronym for Science, Technology, Engineering and Maths

Stereotype - A stereotype is an assumption about what someone will be like (e.g. their personal qualities or attributes) based on a group they belong to.

Achieve – to complete something successfully

Goal – when a person sets an aim or a target for them to complete

Growth mindset – when faced with a challenge or setback, a person is more determined to reach their goal.

Ambition – a strong desire to become reach a goal or achieve a target.
