

Holy Family Halewood

Year 5/6 Spanish Out of this World

In this sequence of lessons we will:

- Learn the names of planets in Spanish;
- Revisit and extend personal information questions and answers;
- Create a personal ID;
- Practise constructing dialogues and simple conversations;
- Practise writing descriptive sentences with familiar and unfamiliar words.

Learning Objectives

To engage in conversations by understanding and responding to simple identity and personal information requests.

To read carefully and show understanding of words, phrases and simple writing by understanding simple factual sentences about space and the planets.

To write phrases from memory, and adapt these to create new sentences by writing several simple descriptive sentences about my own imaginary planet.

To describe people, places, things and actions in writing by sharing written information about my imaginary planet in a poster.

To speak in sentences, using familiar vocabulary, phrases and basic language structures by describing an intergalactic character and creating my own intergalactic language.
