## YEAR 1 CLASS ASSEMBLY

Well done to the children in Year 1 who performed a brilliant assembly all about St Patrick's Day which takes place this Sunday 17<sup>th</sup> March 2024. The highlight was a very cheeky leprechaun who played pranks around the school to the amusement of the whole audience. The children in Year 1 were excellent at remembering their lines and reading them with great speaking voices and enthusiasm. It was lovely to see so many of the Yr 1 family and friends who came along to celebrate with us during our Fun Friday Superstar assembly as well.

## BOOK FAIR 2024

The book fair has arrived and will be here until the Tuesday 19<sup>th</sup> March. Please call into school after school and have a look at all the wonderful books on sale. All payments will be via card payment. To confirm, sale times will be after school each evening on those dates.

## BISHOP TOM WILLIAMS

It was lovely to welcome Bishop Tom Williams into school yesterday as part of his pastoral visits around the parishes. We had an audience with Bishop Tom and he told us about how he became a Bishop, his favourite hymns and readings from the bible, his favourite hobbies, food, sports team etc. We loved listening to his many words of wisdom throughout the day.

## FREE BIKE MAINTENANCE SERVICE

We have received information that a bike mechanic can come into our school on Tuesday 26<sup>th</sup> March throughout the school day to have a look at any of the children's or adults' bikes and complete a free safety check. He will check over as many bikes he can within the time frame, replacing cables, brake blocks, doing minor repairs and adjustments, and ensuring the bikes are safe to ride.

If you would like your bikes to be looked at, please bring them in on the Tuesday morning and leave them with the mechanic and then pick them up at the end of the day. The mechanic will check everything on your child's or adults bike from wheels, brakes, gears and tyre pressure to lights, racks, pedals, saddles and more. By the end, your bike will feel loved and cared for. Any minor adjustments, they can make to the bike they do there and then. Anything they can't fix on site, they will let you know exactly what needs doing and a rough guide to what it should cost at a bike shop.

**FREE Dr Bike Maintenance checks**

If your bike is in need of a health check, bring it along to one of the Dr Bike sessions.

Mechanics can set your saddle at the correct height, pump tyres, check your brakes and give your bike a quick check to fix minor faults for FREE.
