HEALTHY SCHOOLS PLEDGE

A green poster for the 'SCHOOL'S Pledge' initiative. The title 'SCHOOL'S Pledge' is in white, with 'FOR A HEALTHIER & ACTIVE FUTURE' below it. A blue circle on the left says 'The School's Pledge is a framework to promote healthier eating, physical activity, and overall well-being in schools'. An orange circle in the center says 'Join the initiative!'. A photo of a smiling child is on the right. Below the photo, it says 'WHAT DOES IT INVOLVE?' followed by a list: 'Whole School Leadership and Engagement', 'Healthier Food Environments', 'Promoting Physical Activity', and 'Community Collaboration'. At the bottom, it says 'It includes 9 core commitments and works by involving pupils, staff, families, and the wider community to create a supportive environment for healthier choices. Many schools will already be implementing some of these commitments through current practices - Food Active can provide guidance, resources and tools to help your school monitor and evaluate your progress as you implement the full framework.' and 'BENEFITS OF ADOPTING THE SCHOOL'S PLEDGE' followed by 'Promote collaboration across the school community, align policies with healthy practices, share best practices, and address health inequalities to support all pupils.' The 'FOOD ACTIVE' logo is at the bottom right, with the tagline 'Dedicated to Health & Equality Beyond'.

ECO WARRIORS VEGETABLE SALE

Some of our older members of the Eco Warriors team were delighted to sell their vegetables that they have been growing across the year. Thank you to those families who came over and made a fuss. The children will use the profits from their sale to grow more vegetables this year.

TREASURE ISLAND PRODUCTION

We are looking forward to welcoming the team from M and M Productions who will be performing in the school hall on Tuesday afternoon. The PTA have funded the whole production so that there is no charge for families on this occasion.

SPORTS NEWS

This week a team of 16 girls (two teams) played in the Halewood Football league and played really well using great teamwork and communication skills. It was wonderful to see so many girls represent the school. Well done.

Next week a team of players from the Year 6 boys team will be attending Finch Farm, Everton training facility to take part in a competition with all Knowsley schools across the borough. We wish them the best of luck.
