

Holy Family Halewood

Year 6 RSHE Journey in Love

Theme: Relationships

Topic: The Wonder of God's love in creating New Life

Aim

To develop a secure understanding of what stable, caring relationships are and the different kinds there may be. Focusing on Catholic teaching, children will also know and understand about the conception of a child within marriage.

Overall Objectives

- To develop a secure understanding that stable and caring relationships, which may be of different types, are at the heart of happy families.
- Explain how human life is conceived
- Show an understanding of how being made in the image and likeness of God informs decisions and actions when building relationships with others, including life-long relationships.

Lesson Objectives:

- Marriage; a union between two people that is a formal, legally-recognised commitment and intended to be lifelong.
- How a baby is conceived
- How a child grows within the mother's womb
- The boundaries that should exist within all relationships, including in a digital context
- How, when and where to seek help if a relationship of any sort is making us feel uncomfortable
- Discover the presence of God in our family and friends.
- How St Paul's teaching on love is experienced in families, extended families, school or communities

fallopian	

Pope Francis

"It is God who gives life. Let us respect and love human life, especially vulnerable life in a mother's womb."
